

Governor (1993-2003: Leavitt) [446]

Programs of the First Lady, 1993-2003.

8.5 cu. ft.

DESCRIPTION: These are the subject files handled by the staff of the First Lady, Jacalyn S. Leavitt. The series documents the various events and programs in which Mrs. Leavitt participated in during her service as First Lady. The records include children's books authored by Mrs. Leavitt, correspondence, conference programs, meeting minutes, reports, and speeches. The bulk of the series pertains to Mrs. Leavitt's literacy program, the immunization of children in Utah, and the Governor's Initiative on Families Today (GIFT).

The series consists primarily of the records maintained by Mrs. Leavitt's assistant, Judith George. Many of the handwritten notes composed by Mrs. Leavitt are merely photocopies of the originals. Mrs. Leavitt's annual schedules are included in the series, as well as files pertaining to her involvement in the National Governors Association (NGA), Republican Governors Association (RGA), and the Western Governors Association (WGA).

GIFT was created in 1994 under the direction of Governor Leavitt to foster and enhance healthy, positive, and caring family interaction. The initiative sponsored a number of family and marriage enrichment conferences statewide throughout the year in conjunction with several partners, including the Commission for Women and Families. A vast amount of programs, budgets, keynote speaker bios, and correspondence from these annual conferences are contained within the series.

ARRANGEMENT: This series is arranged alphabetically by subject, thereunder chronologically by date.

RELATED RECORDS: For more information on Jacalyn S. Leavitt's programs consult series 13374 , NEWSPAPER CLIPPINGS or series 25232 , PHOTO FILES.

PROCESSING NOTE: This series was processed by Brandon Metcalf in November 2005.

PREFERRED CITATION: Cite the Utah State Archives and Records Service, the creating agency name, the series title, and the series number.
